

Industrial Degreaser

Industrial Degreaser is an effective, bacteria based degreaser concentrate that is pleasant to use and will leave your surfaces clean, safe and smelling fresh without harsh alkalinity.

Sustainable Cleaning Chemistry • Neutral pH • Noncorrosive Formula

- **Microorganisms** targeted for petroleum and plant based oil and grease soils
- **Neutral pH formula** is safer to use than corrosive cleaners and degreasers
- **Lasting clean** with clear environmental and cost benefits
- **Provides continuous probiotic cleaning** of hard surfaces including walls, floors, counters and equipment
- **Remove embedded residual grease** and organics in porous tile, cracks, crevices, and corners

Billions of microorganisms at your service.

SKU #	PRODUCT	BENEFITS	SIZE
PROBIOTIC CLEANER & DEGREASER			
SCL818FP5	Industrial Degreaser	Neutral pH, a safer way to digest tough organic material	5 Gallon Fort Pack
SCL818D55	Industrial Degreaser		55 Gallon Drum
SCL818DSP	Industrial Degreaser		275 Gallon Tote

Concentrated formula for multiple use dilutions:

FOR USE WITH TRIGGER SPRAY BOTTLE: Spray properly diluted product to soiled areas and wipe with a clean cloth.

FOR USE WITH MOP BUCKETS: Fill mop bucket with properly diluted product as indicated by the soil levels. Apply properly diluted product to the floor, let set 3 - 5 minutes. Pick up with tightly rung mop.

FOR USE IN AN AUTOMATIC SCRUBBER: Fill solution tank with properly diluted mixture of product. For heavy soils, use double scrub method of cleaning. For porous or grouted floors, scrub brushes may improve the removal of surface soils.

Refer to the product label for proper dilution ratios.
